*Italy oozes music and culture and is on everyone's bucket list. Ten years ago, the Village Voices made their first tour. It was an international tour and Italy was the destination. Many wonderful memories linger from that trip and it is only fitting that its tenth anniversary be celebrated with a return visit. We have included a Papal audience and three planned performances by the Village Voices in addition to all the very famous sites of Rome, Siena, Pisa, Florence and Venice. This is not a rushed trip either since there will be lots of free time to explore on your own. Come on and experience the joy of visiting and singing in Italy. Spouses and friends are welcome.*
