“When He approached Jerusalem, He saw the city and wept over it...” (Matthew 19:41)

I have pictured this scene in my mind many times and wondered what it looked like. The crowd was shouting and rejoicing. Jesus, quiet and reflective, was looking over the city from the dusty road coming down from the mount lined with olive trees.

People in the city were rushing outside to see the commotion...

In November of 2010, I will be leading a trip to the Holy land and we would like you to come with us. On this trip we'll walk the same streets Christ Himself walked and see firsthand the lands the Bible talks about.

Your PIN should be 4 digits. If your PIN is longer, contact your issuing financial institution and ask for a new PIN number. If you have an alphabetic PIN, translate the letters to numbers before leaving the US.

Test your PIN before you travel.

Financial institutions may have restrictions on daily withdrawals even when you are in another country. Check with your financial institution.

GROUP TRAVEL ADVICE

Tranquility, harmonious relations and a successful journey can be ensured if each tour member, personally, adjusts their mode of behavior to following some simple ground rules.

Make a commitment to the concept, "If you're on time -- you're late!"

Report to the bus 30 minutes before any scheduled departure, when moving from one city to another and luggage transfer is required.

Report to the bus 15 minutes before any scheduled departure if the destination does not require luggage transfer.

Exercise discretion if engaging in unscheduled, independent activities. It is suggested that you join with four or more others in such excursions. Stand by and assist if a fellow member of your group encounters a problem.

Be aware that holding a bus beyond its scheduled departure time may be ordered only when the tour leader, in his/her discretion, determines that there is an emergency.

SPECIAL NOTE

Because of the serious threat to members who suffer allergic reactions to cosmetic scents, we ask that you please do not use perfumes or strongly scented cosmetics on the bus.

ISRAEL CRIME

The crime rate is moderate in Israel.

There have been increased reports of harassment of tourists by vendors in many tourist areas of Jerusalem, including, in particular, the Mount of Olives.

Also for safety in general, American citizens should exercise extreme caution and avoid, to the extent possible, shopping and market areas, pedestrian walkways, malls, public buses and bus stops, trains and train stations, as well as crowded areas and demonstrations.

Before traveling please consult the following website for tips re safety:
