### What Is Not Covered Under The Program

While the Group Travel Assistance Program covers a wide range of circumstances, certain events and occurrences are not covered under these plans. Some examples are detailed below.

The program does not cover losses or expenses if they result from any injury occurring prior to and including the effective date of insurance, any illness occurring during the sixty days prior to and including the effective date of insurance for which treatment by a licensed physician has been sought or advised or for which symptoms exist which would cause a prudent person to seek diagnosis, care, or treatment.

However, if the condition is controlled (not exhibiting symptoms or requiring the adjustment of treatment of medication throughout the sixty-day period by taking of prescription drugs of medications and travel restrictions are not advised by a licensed physician, then the medical condition will not be considered a Pre-Existing Condition. The departure date is the effective date of coverage.

## MONEY

Withdraw cash at ATMs to save money. Take advantage of favorable exchange rates offered by ATMs. Cash is dispensed in local currency, and debited from your account in US Dollars - this eliminates additional conversion fees and commissions assessed by currency exchange bureaus.

Your PIN should be 4 digits. If your PIN is longer, contact your issuing financial institution and ask for a new PIN number. If you have an alphabetic PIN, translate the letters to numbers before leaving the US.

Test your PIN before you travel.

Financial institutions may have restrictions on daily withdrawals even when you are in another country. Check with your financial institution.

## GROUP TRAVEL ADVICE

Tranquility, harmonious relations and a successful journey can be ensured if each tour member, personally, adjusts their mode of behavior to following some simple ground rules.

Make a commitment to the concept, "If you're on time -- you're late!"

Report to the bus 30 minutes before any scheduled departure, when moving from one city to another and luggage transfer is required.

Report to the bus 15 minutes before any scheduled departure if the destination does not require luggage transfer.

Exercise discretion if engaging in unscheduled, independent activities. It is suggested that you join with four or more others in such excursions. Stand by and assist if a fellow member of your group encounters a problem.

Be aware that holding a bus beyond its scheduled departure time may be ordered only when the tour leader, in his/her discretion, determines that there is an emergency.

### SPECIAL NOTE

Because of the serious threat to members who suffer allergic reactions to cosmetic scents, we ask that you please do not use perfumes or strongly scented cosmetics on the bus.

## ISRAEL CRIME

The crime rate is moderate in Israel.

There have been increased reports of harassment of tourists by vendors in many tourist areas of Jerusalem, including, in particular, the Mount of Olives.

Also for safety in general, American citizens should exercise extreme caution and avoid, to the extent possible, shopping and market areas, pedestrian walkways, malls, public buses and bus stops, trains and train stations, as well as crowded areas and demonstrations.

Before traveling please consult the following website for tips re safety:
